

*Brien McMahon/CGS School Based
Health & Wellness Center*

Welcome to the McMahon/ CGS School Based Health & Wellness Center

a partnership between McMahon/Center for Global Studies School Based Health & Wellness Center, and Norwalk Community Health Center

Together with you and your child's main doctor, we will work towards keeping your child healthy and in school. If you child does not have a doctor or primary provider, we can help you find one.

We invite you to select all services that your child may need during their years at Brien McMahon/CGS

- Counseling (individual, family, and group)
- Chronic Disease Management (such as Asthma, Eczema) if NCHC is your Primary Care Provider
- Health education/risk reduction
- Crisis intervention and suicide prevention
- Nutrition/weight management
- Physicals (sports, school, or pre-employment)
- Health screenings
- Immunizations
- Diagnosis and treatment of minor illnesses/injuries
- Anti-Bullying Didactic Services
- Reproductive Health

**If you or your child's pediatrician have questions,
need more information, or want to sign up for
McMahon/Center for Global Studies School Based
Health & Wellness Center Services, contact us.**

- 203-854-0524
- 1.888.571.1744 (Fax)
- <https://norwalkchc.org/sbhc>

**We look forward to
serving your child's
school-based
health care needs.**

Welcome to Norwalk Community Health Center.

Since 1999, generations of men and women throughout Fairfield County and beyond have entrusted their health care and the well being of their children and families to us. We take that trust – and your health – seriously. ***Norwalk Community Health Center is rated among the top community health centers in the nation.*** We are dedicated to maintaining the high quality of care we provide our patients – from newborns to seniors – that enriches the lives at every stage and leads our community toward achieving its best possible health.

Norwalk Community Health Center Services Include:

- Referral to specialists/community resources as needed
- Coordination with Norwalk Community Health Center's dental, behavioral health and telepsychiatry, pediatric, internal medicine, and women's health teams
- On-site Pharmacy and Lab

Norwalk Community Health Center is rated by the US Health Resources and Services Administration in the top 10% of all health centers across the country for quality of care. Over 12,000 men, women and children entrust their medical, dental, and behavioral health care to us. And nobody is turned away because of status or ability to pay.

At our McMahon/CGS School Based Health & Wellness Center, a Nurse Practitioner or Physician Assistant, a Licensed Clinical Social Worker/ Licensed Professional Counselor of Behavioral Health, and a Psychiatrist are available to your child during the school day.
